D. A meeting of the Board of Directors of the Association was duly called and conducted on April 18, 2013. At the Meeting, a majority of the Board approved this Amended and Restated Declaration, including all of the Amendments set forth therein. The Amended and Restated Articles of Incorporation attached hereto as Exhibit B and the Amended and Restated Bylaws attached hereto as Exhibit C were also approved at the Meeting

However, boat docks may be used for temporary mooring of a vessel owned by a guest of the Owner or Occupant of the Unit served by to the boat dock. Boats shall not be used as residences, and overnight occupancy is not permitted. All vessels must be seaworthy and in good condition and appearance at all times.

(b) The maximum length of any vessel moored at a boat dock shall not be greater than the width of the Back Yard Adjacent to the Unit. All vessels moored at a boat dock must be owned or leased by a Unit Owner or an authorized Occupant of the Unit served by the boat dock. A copy of the current Certificate of Registration for the vessel must be filed with the Association, together with the current contact information and emergency contact information for the owner of the vessel. All vessels must have and display a current validation decal and registration numbers matching the Certificate of Registration filed with the Association. The registration numbers and validation decal must be affixed to the vessel in accordance with the requirements of the State law where the vessel is registered.

(c) A Unit Owner may keep a vessel at a dock of another Unit Owner with the approval of the other Unit Owner.

(d) Small vessels may be stored on a dock but shall not be placed on or attached to any part of the seawall.

(e) Vessels shall be securely moored at all times. The owner of the vessel shall be responsible for any costs, loss, or damage to another vessel, another Unit Owner's dock, or the seawall caused by the failure of the owner to securely moor the owner's vessel. The owner of the vessel shall be solely responsible for securing and attending to the safety of the owner's vessel during any unusual tide or storm event. Any vessel moored within the Condominium Property that sinks shall be promptly removed by the owner of the vessel. The Association shall have no liability for any loss or damage to a vessel moored within the Condominium Property, or for any injury or death which occurs on any dock or vessel located within the Condominium Property.

(f) The Board shall have the right to adopt Rules governing vessels and the use of boat docks provided such Rules are not inconsistent with the provisions of this Section 11.

12. Easements.

12.01 Each of the following easements is expressly granted or reserved through the Condominium Property for the limited purposes set forth herein and subject to all the terms and conditions of this Declaration:

(a) A nonexclusive easement for the use and benefit of the Owners and Occupants of each Unit, their guests and invitees, shall exist for vehicular and pedestrian traffic over, through, and across such portions of the Condominium Property as may from time to time be intended for such purposes, which easements alone or together with other recorded easements shall provide reasonable access to the public ways. Nothing herein shall be construed to give or create in any person the right to park vehicles upon any portion of the Condominium Property except in areas which are approved for parking purposes.

(b) Nonexclusive easements shall exist in favor of the Association on, over, under, and across the Common Elements and each Unit as necessary (after appropriate notice) for the Association to perform its maintenance obligations.

(c) Nonexclusive easements shall exist in favor of each Owner over, under, across, and through the Common Elements, including the Back Yards, as necessary for the Owner to maintain those portions of the Limited Common Elements which are to be maintained by the Unit Owners.

(d) Nonexclusive easements shall exist in favor of Utility Servicers as may be required for the entrance upon, construction, maintenance, repair, replacement, and operation of Utilities to adequately serve the Condominium Property, it being expressly agreed that the Utility Servicer making the entry shall restore the property as nearly as practicable to the condition which existed prior to commencement of the work; provided, however, easements herein reserved which necessitate entry through a Unit shall only be in accordance with the plans and specifications for the building containing the Unit or as the building is actually constructed, unless approved in writing by the Unit Owner. The Utility Servicer which provides electrical service to the Condominium Property shall have an access easement across all portions of the Condominium Property, specifically including the Back Yards, for the purpose of reading the electric meters and water meters for the Units.

12.02 The easements created by this Section 12 shall run with the land and shall be perpetual unless the Condominium is terminated in accordance with Section 22 below. If the Condominium is terminated, the easements shall simultaneously terminate.

13. Common Expenses and Common Surplus.

13.01 Common Expenses shall include the costs of carrying out the obligations and responsibilities of the Association, and any other expenses designated as Common Expenses by this Declaration, the Bylaws, or the Condominium Act.

Palma Sola Harbour Documents

13.02 The Unit Owners shall pay the Common Expenses and own the Common Surplus in the same percentages as the undivided share of the Common Elements owned by each Unit Owner as set forth in Section 6 above.

13.03 Funds for the payment of Common Expenses shall be collected by levying Assessments against the Unit Owners as provided in this Declaration and the Bylaws.

14. Annual Assessments of the Association.

14.01 An annual budget for the Association shall be adopted by the Board in accordance with the Bylaws. The annual budget shall project anticipated Common Expenses in sufficient detail to show estimates of all current Operating expenses including, without limitation, insurance, utilities, cable television, pest extermination, reserves, and any other item the Board deems proper. In addition, the Board shall have the power to levy a Special Assessment against the Units in proportion to each Unit's share of the Common Expenses, if necessary to cover unanticipated expenditures which may be incurred during the accounting year, as well as Individual Assessments resulting from enforcement of the terms of this Declaration, the Bylaws, and the Rules.

14.02 Assessments established pursuant to the annual budget shall be paid in monthly installments.

15. Liabilities, Lien and Priority, Interest, and Collection of Assessments.

15.01 The liability of a Unit Owner for Common Expenses shall be limited to the amount Assessed against the Owner's Unit from time to time in accordance with this Declaration and the Bylaws.

15.02 A Unit Owner, regardless of how title is acquired, including without limitation a purchaser at a judicial sale, shall be liable for all Assessments coming due while he or she is the Unit Owner. In any conveyance, the grantee shall be jointly and severally liable with the grantor for all unpaid Assessments up to the time of such conveyance, without prejudice to any rights the grantee may have to recover from the grantor the amounts paid by the grantee therefore.

15.03 The liability for Assessments may not be avoided or abated by abandonment of the Unit, or by waiver, either voluntary or involuntary, of the use or enjoyment of all or any portion of the Common Elements.

15.04 Any Assessment installment not paid within ten (10) days after the due date shall bear interest from the date when due until paid at the maximum contract rate of interest permitted by Florida law, and shall be subject to an administrative late charge in the amount of \$25.00 or 5% of the delinquent payment, whichever is greater. If a Unit Owner is more than 60 days delinquent in the payment of any Assessment installment, the Association shall have the right to accelerate Assessments for the remainder of the budget year. All payments received by the Association shall be applied first to any accrued interest, then to any administrative late charge, then to any costs and reasonable attorney's fees incurred in collection, and then to the delinquent Assessments.

Palma Sola Harbour Documents

Notwithstanding the above, the Association may waive payment of interest, late charges, costs, or attorney's fees on a determination that said waiver is in its best interest.

15.05 The Association shall have a lien on each Condominium Parcel for any unpaid Assessments. The effective date of the lien shall be as provided in the Condominium Act. The Association may record a Claim of Lien among the Public Records of Manatee County, Florida, to perfect its lien rights. Such Claim of Lien shall describe the Condominium Parcel, and shall set forth the name of the record Owner, the name and address of the Association, the amount due, and the due dates. The Claim of Lien shall continue in effect until all Assessments due on the date the Claim of Lien is recorded and which may accrue subsequent to such recording are paid in full, including interest, late charges, costs, and attorney's fees incurred by the Association incident to the collection process. Upon full payment, the party making payment shall be entitled to a recordable release of the Claim of Lien.

15.06 The Association may bring an action in its name to foreclose a Claim of Lien in the same manner as a mortgage on real property is foreclosed, and may also bring an action to recover a money judgment for the unpaid Assessments, with interest and late charges thereon, without waiving any Claim of Lien. Under either action, the defendant shall pay the costs of recording the Claim of Lien and all court costs, including, but not limited to, filing and service of process fees and reasonable attorneys' fees incurred by the Association to collect such Assessments or enforce such lien, including legal services rendered prior to any litigation, during trial, upon any appeal, post judgment, and bankruptcy proceedings. The Association shall have the right to bid at the public sale, and to receive a credit for all sums due the Association as of the date of the sale.

15.07 When a Mortgagee holding a first mortgage of record encumbering a Condominium Parcel obtains title to that Condominium Parcel as a result of foreclosure of the first mortgage, or as the result of a deed given in lieu of foreclosure, such Mortgagee and its successors and assigns shall be liable for the share of Common Expenses and Assessments levied by the Association against such Condominium Parcel or chargeable to the former Unit Owner of such Parcel which became due prior to acquisition of title as a result of the foreclosure, or acceptance of such deed in lieu of foreclosure, except as limited by the Condominium Act. The unpaid Assessments shall be deemed to be Common Expenses of the Association and collectible from all of the Unit Owners, including such acquirer, its successors and assigns. A Mortgagee acquiring title to a Condominium Parcel as a result of foreclosure, or a deed in lieu of foreclosure, may not, during the period of its ownership of such Parcel, whether or not such Parcel is unoccupied, be excused from the payment of some or all of such Assessments coming due during the period of such ownership.

15.08 Within fifteen (15) days after request by a Unit Owner or a Mortgagee, the Association shall provide a certificate setting forth all Assessments and other moneys owed to the Association by the Unit Owner with respect to the Owner's Unit. Any person other than the Owner who relies upon such certificate shall be protected thereby. The Association shall have the right to charge a fee for providing the Certificate.

15.09 No Unit Owner may be excused from the payment of his or her proportionate share of the Common Expenses unless all Unit Owners are likewise proportionately excused from such payment.

Palma Sola Harbour Documents

15.10 By acceptance of a deed to a Unit, each Unit Owner is deemed to acknowledge conclusively that the obligation to pay Assessments provided for in this Declaration is superior in dignity to any homestead rights which said Unit Owner may now or in the future claim with regard to the Unit.

15.11 If a Unit Owner is more than 90 days delinquent in paying a monetary obligation due to the Association, the Association may suspend the right of the Unit Owner or the Unit's Occupant, licensee, or invitee to use the Common Elements, common facilities, or any other Association Property until the monetary obligation is paid in full. The Association may also suspend the voting rights of a Unit Owner due to non-payment of any monetary obligation due to the Association which is more than 90 days delinquent.

16. Liens.

16.01 With the exception of liens described in Paragraph 16.02 below, no liens of any nature shall be valid against the Condominium Property as a whole except with the unanimous consent of the Unit Owners.

16.02 Labor performed on or materials furnished to the Common Elements are not the basis for a lien on the Common Elements, but if duly authorized by the Association, the labor or materials shall be deemed to be performed or furnished with the express consent of each Unit Owner and shall be the basis for filing a lien against all Units in the same proportions that the Owners are liable for Common Expenses. In the event a lien is filed against all Units, any Owner may relieve the Owner's Unit of the lien by exercising any of the rights of a property owner under Chapter 713 of the Florida Statutes or by paying the proportionate amount attributable to the Owner's Unit. Upon such payment, the lienor shall release the lien against such Unit.

16.03 Service or delivery of notices, papers, or copies thereof permitted or required under Chapter 713 of the Florida Statutes for or incident to the perfection or enforcement of liens arising from labor or materials furnished and duly authorized by the Association, may be effected by service on or delivery to the Association.

17. Limitations and Restrictions on Transfer.

17.01 To promote and maintain the character of the condominium as an owner occupied community and to preclude unit ownership solely for investment purposes, the provisions of this section 17 shall apply to all transfers of the ownership of a Unit or right to occupy a Unit. No transfers, as defined herein, shall be approved for transfer to any Corporation, IRA, or any other Legal Entity or Commercial Enterprise which by its structure cannot itself occupy a unit as a single family residential dwelling. As used herein, the term "Transfer" shall mean any sale, conveyance (including conveyances by gift and upon the death of a Unit Owner), lease, or other written or oral agreement which transfers the ownership or Occupancy of a Unit. The term "Occupancy" shall mean the right to occupy a Unit in the absence of the Owner, with or without consideration, excluding Occupancy of the Unit by the spouse, child, parent, grandparent, brother, sister, or grandchild of the Unit Owner. The Board shall have the specific right to adopt Rules clarifying and expanding the terms used in this Section 17. Even if a Transfer is exempt from the provisions of this Section 17, the Unit Owner shall still provide written notice to the Association of any such Transfer,

Palma Sola Harbour Documents

with the name and family relationship of the transferee, and a copy of the recorded instrument of conveyance, if applicable.

17.02 Before the Transfer of a Unit, the Unit Owner shall notify the Association in writing, giving the name and address of the proposed transferee and such other information as may be required by the Board, on a form provided by the Board for that purpose, together with a copy of the proposed purchase agreement, lease, or other instrument setting forth the terms of the proposed Transfer, together with a fee in an amount to be determined by the Board. Within 15 business days after receiving all of the required information, instruments, and fees, the Board or its designee shall either approve or disapprove the proposed Transfer by written notice to the Owner. If the Board disapproves a proposed Transfer, the notice shall set forth the reason for the disapproval. If the Board fails to act on the proposed Transfer within said 15 business days, the Transfer shall be deemed approved. The Board shall have the right to establish criteria in determining whether or not to approve a proposed Transfer, including the right to obtain a background check on the proposed transferee. Any attempt to Transfer a Unit without complying with the requirements of this Paragraph shall be deemed a breach of this Declaration, shall be wholly null and void, and shall confer no title, interest, or right of Occupancy whatsoever upon the proposed transferee. Notwithstanding the foregoing, if a lease is renewed with continuous uninterrupted Occupancy by the same tenant, no additional fee is required. However, such renewal shall require a new Application and approval by the Board.

17.03 This Article 17 shall not apply to Transfers by a Unit Owner to his or her spouse, children, parents, grandparents, grandchildren, brothers, sisters, brothers-in-law or sisters-in-law (whether to one or more of such relatives). A Unit Owner shall, however, promptly notify the Association in writing of any such Transfer with the name and family relationship to the Unit Owner of the transferee, and a copy of the recorded instrument of conveyance, if applicable.

17.04 The approval of the Board shall be in recordable form, signed by an officer or agent of the Association, and shall be delivered to the transferee. If the Board fails to timely act on a proposed Transfer as required by Paragraph 17.02, the Board shall still be obligated to deliver to the transferee the required written approval.

17.05 The Board shall not approve any Transfer, other than by inheritance, which will result in any individual having an Ownership Interest in more than two (2) Units. The term "Ownership Interest" shall include ownership, of a partnership interest in a limited or general partnership, the beneficiary of one or more trusts, ownership of a Unit jointly with any other person or entity, or any combination of the foregoing. The intent of this Paragraph 17.05 is to prevent any owner from having any Ownership Interest other than by inheritance of any nature or extent in more than two (2) Units. The limitations set forth in this Paragraph 17.04 shall only apply to Transfers which occur after this Amended and Restated Declaration has been recorded among the Public Records.

17.06 A Unit may not be leased, rented, or occupied for a term of less than 30 consecutive days. A Unit may also not be leased, rented, or occupied such that more than two (2) rental terms begin in the same calendar year. This Paragraph shall only be amended upon the affirmative vote of the Voting Representatives for at least 80% of the Units.

Palma Sola Harbour Documents

17.07 All tenants and other Occupants of a Unit shall be subject to all of the terms and provisions of this Declaration, the Bylaws, and the Rules. Any lease of a Unit shall be deemed to incorporate the terms and provisions of this Declaration, the Bylaws and the Rules.

17.08 A unit may not be leased, rented or loaned for a period of less than 30 days or longer than a period of one (1) year. The lease, rental or loan may be renewable at the end of the lease if approved by the Board of Directors and no rental fee will be required. If a lease is in effect on a unit that is sold that existing lease will not be renewed or a new lease approved during the two (2) year period starting from the time of the sale of the unit. Except for any Unit for which the Association is the Owner, no Unit may be rented, leased or loaned by a Unit Owner during the two (2) year period commencing on the date on which the Unit Owner acquires title to the Unit. The limitations set forth in this Paragraph 17.08 shall only apply to Transfers which occur after this Amended and Restated Declaration has been recorded among the Public Records.

18. The Association.

18.01 The Condominium shall be Operated by the Association. The Association shall have all of the powers set forth in the Declaration, Articles of Incorporation, and Bylaws and as otherwise provided by law, except as expressly limited or restricted by the Condominium Act. The Board may adopt, revoke, and amend Rules pertaining to the use, maintenance, and conservation of the Condominium Property, and for the health, comfort, safety, and welfare of the Owners and Occupants of the Units. The officers and directors of the Association shall owe a fiduciary duty to the Unit Owners.

18.02 The Articles of Incorporation of the Association were filed with the Florida Department of State, and a Certificate of Incorporation has been issued. Copies of the Certificate of Incorporation and the Articles in effect on the date of recording this Amended and Restated Declaration are attached hereto as Exhibit B.

18.03 A copy of the Amended and Restated Bylaws governing the management and Operation of the Association is attached hereto as Exhibit C. The Bylaws may be modified or amended as provided therein; however, no amendment shall be adopted which would affect or impair the validity or priority of any mortgage encumbering any Condominium Parcel. Defects or omissions in the Bylaws shall not affect the validity of the Condominium or the title to Condominium Parcels.

18.04 Directors of the Association must be persons who are competent to contract, and must not have been convicted of any felony by a court of record in the United States unless he/she has had his or her right to vote restored pursuant to law in the jurisdiction of his or her residence.

18.05 The Association may purchase and acquire real property and may levy a Special Assessment and/or borrow funds (and mortgage the purchased property) in any amount necessary for that purpose, only upon the affirmative vote of the Voting Representatives for a majority of the Units voting in person or by proxy at an Association meeting called for that purpose; provided, however, no such Special Assessment which exceeds one-sixth of the current annual operating budget shall be levied unless approved by the Voting Representatives for at least two-thirds of the Units. Upon acquiring such

Palma Sola Harbour Documents

property, the Association may lease, improve, or convey such property, and may levy a Special Assessment and/or mortgage the property as needed for its improvement, only upon the approval of the Voting Representatives in the same manner as for its purchase. The provisions of this Paragraph 18.05 shall not limit the Association's authority to purchase Units in the Condominium and to acquire, hold, lease, mortgage, and convey such Units.

19. Membership in the Association and Voting.

19.01 Each Unit Owner shall be a member of the Association. Membership in the Association may only be transferred as an incident to the transfer of title to a Unit. Membership in the Association shall automatically terminate upon the transfer of title.

19.02 The Owner, or all Owners collectively if there is more than one Owner, of each Condominium Parcel shall be entitled to one (1) vote on each matter brought before the membership of the Association; provided, however, the Vote assigned to each Unit shall be cast by the Voting Representative as provided in the Bylaws. If a Unit is owned by the Association, the vote for that Unit shall be determined by the Board and shall be cast by an officer of the Association designated by the Board.

19.03 Except as otherwise provided in this Declaration or the Condominium Act, any action of the membership must be approved by a majority of the Voting Representatives voting in person or by proxy at a duly called meeting of the Association at which a quorum is present.

20. Limitation of Liability.

20.01 The liability of the Owner of a Unit for Common Expenses shall be limited to the amount Assessed against the Owner's Unit from time to time in accordance with the Declaration and the Bylaws.

20.02 In any legal action in which the Association may be exposed to liability in excess of insurance coverage protecting it and the Unit Owners, the Association shall give notice of the exposure within a reasonable time to all Unit Owners, and they shall have the right to intervene and defend.

21 Insurance.

21.01 The Association shall obtain and maintain the following insurance coverage:

(a) Adequate fire and extended coverage insurance for all portions of the Condominium Property located outside the Units, except as provided in the Condominium Act. Such insurance must be based on the replacement cost of the property to be insured, as determined by an independent insurance appraisal or update of a prior appraisal. The replacement cost must be determined at least once every 36 months.

Palma Sola Harbour Documents

(b) Public liability insurance covering all of the Common Elements and Association Property and insuring the Association and the Unit Owners as their interests may appear in the aggregate minimum amount of \$1,000,000.00.

(c) Workers Compensation insurance, if required by law.

(d) Fidelity bonding for all persons who control or disburse funds of the Association. The fidelity bond shall cover the maximum funds in the custody of the Association or its management agent at any one time. As used in this Subparagraph, the term "persons who control or disburse funds of the Association" includes, but is not limited to, those individuals authorized to sign checks and the President, Secretary, and Treasurer of the Association.

(e) Law and ordinance insurance to cover the increased cost of repairing or restoring the Condominium Property following a casualty to a condition which meets the governmental requirements at the time of such repair or restoration, if such insurance is reasonably available.

(f) Such other insurance as the Board may deem necessary or appropriate, including errors and omissions coverage for officers and directors of the Association.

21.02 All insurance purchased by the Association shall be placed with good and responsible companies. The deductibles for insurance obtained by the Association shall be determined by the Board, in its reasonable discretion, based upon available funds or predetermined assessment authority at the time that the insurance is obtained. All insurance obtained by the Association shall be for the benefit of the Association, the Unit Owners, and Mortgagees, as their respective interests may appear. Premiums for all insurance coverage obtained by the Association, and other expenses incurred by the Association in connection with such insurance, shall be paid by the Association as a Common Expense.

21.03 Notwithstanding anything to the contrary set forth in this Declaration, no Mortgagee shall have any right to determine or participate in the determination as to whether any damaged property shall be reconstructed or repaired, and no Mortgagee shall have any right to apply any insurance proceeds to the reduction of its mortgage debt unless the Condominium is terminated as provided herein. By acceptance of a mortgage encumbering a Unit, or perfection of a lien against a Unit, each Mortgagee and other lienholder shall be conclusively deemed to have consented to the provisions of this Section.

21.04 In the event of a casualty loss to the Condominium Property which does not result in a termination of the Condominium, the insurance proceeds from policies purchased by the Association shall be received, held, and applied by the Association in accordance with the following provisions:

(a) If the Association receives insurance proceeds for damages occurring solely within a Unit, the proceeds shall be delivered to the Unit Owner on the condition that the Unit Owner will use the proceeds to restore the damage to the Unit. The Board shall have the authority to control the disbursement of such proceeds in any manner it deems advisable to assure that the proceeds are used to repair or restore the damage to

Palma Sola Harbour Documents

the Unit. If the Unit Owner fails to commence or diligently proceed with the repairs after sixty (60) days prior written notice from the Association, the Association shall have the right to repair the damage and levy the cost thereof as an Individual Assessment against the Unit Owner.

(b) If the damage is to the Common Elements or more than one (1) Unit, the insurance proceeds shall be paid to the Association. The Association is irrevocably appointed agent for each Unit Owner and Mortgagee to adjust all claims arising under casualty insurance policies purchased by the Association, and to execute and deliver releases upon the receipt of insurance proceeds.

(c) Following a casualty loss, the Association shall immediately take all necessary action to secure and protect the Condominium Property from further loss, damage, or deterioration, specifically including theft or vandalism. The Association shall thereafter obtain reliable and detailed estimates of the cost to repair or reconstruct the Condominium Property. Any repair or reconstruction must be substantially in accordance with the original plans and specifications for the Improvements. However, if repair or reconstruction in accordance with the original plans and specifications cannot be affected due to governmental regulations adopted subsequent to the time of original construction, then the Board shall have the authority to make such modifications to the construction plans as may be necessary to comply with such changes. If the Board determines that the insurance proceeds are sufficient to repair or reconstruct all damage to the Condominium Property, the Board shall promptly enter into appropriate contracts to repair or reconstruct the damage to the Condominium Property. The terms of such contract shall be determined exclusively by the Board. The insurance proceeds shall be disbursed for the repair or reconstruction of the Condominium Property in such manner as the Board may determine.

(d) If the Board determines that the insurance proceeds are not sufficient to cover the cost of repairing or reconstructing the damage to the Condominium Property, or if at any time during repair or reconstruction the insurance proceeds are insufficient to pay the full cost thereof, the Board shall levy a Special Assessment against the Owners of all Units in a sufficient amount to provide the necessary funds to pay for the repair or reconstruction. The Special Assessment levied against the Unit Owners shall be in proportion to the Unit Owner's share of the Common Elements, and shall not require the approval of the Unit Owners. The Association is specifically authorized to borrow funds from an institutional lender to cover such shortfall until the Special Assessments are collected from the Unit Owners. The insurance proceeds will be fully disbursed before the funds received by the Association pursuant to a Special Assessment.

(e) If there are excess insurance proceeds remaining after the repair or reconstruction has been completed, the excess insurance proceeds will be used either to supplement the operating funds of the Association or applied to any reserve account, in the discretion of the Board. In no event shall excess insurance proceeds be distributed to the Unit Owners.

(f) If there are excess funds arising from a Special Assessment, such excess funds shall be refunded to the Unit Owners in the same proportion as they were paid.

Palma Sola Harbour Documents

21.06 In the event any improvements or alterations to a Unit as described in Section 10 above are subject to a casualty loss, the Unit Owner shall be solely responsible for repairing such damage, subject to any right the Unit Owner may have to recover the cost thereof from any third party who may have been responsible for such damage. In the event a Unit Owner fails to repair casualty damage to the Owner's Unit within a reasonable time, the Board may elect to repair the damage, and the cost incurred thereby shall be recoverable from the Unit Owner as an Individual Assessment.

21.07 If the Condominium is terminated following a casualty loss, the insurance proceeds will become part of the Common Surplus, and will be distributed as provided in this Declaration.

22. Termination of Condominium.

22.01 The Condominium may be terminated by the affirmative vote of a majority of the Voting Representatives.

22.02 The Condominium may also be terminated pursuant to a Plan of Termination (as described in the Condominium Act) approved by a majority of the Voting Representatives when (a) the total estimated cost of repairs necessary to restore the improvements to the Condominium Property to their former condition following a casualty loss, or to bring them into compliance with applicable laws or regulations, exceeds the combined fair market value of all Units in the Condominium after completion of the repairs; or (b) it becomes impossible to operate or reconstruct the Condominium in its prior physical configuration because of land use laws or regulations. The Plan of Termination shall specifically provide that the interests of the Unit Owners in any proceeds from the sale of the Condominium Property, and the interests of the Unit Owners in insurance proceeds or condemnation proceeds not used for repair or reconstruction at the time of termination, shall be apportioned, to each unit as originally constructed, in the following manner:

(a) Each one bedroom Unit shall be assigned a formula number of 4, each two bedroom Unit shall be assigned formula number of 5, and each three bedroom Unit shall be assigned a formula number of 6. The formula number for each Unit shall be assigned to the type of Unit, and the proceeds from the sale of the Condominium Property, insurance claims, or condemnation awards shall be divided by the total of all formula numbers. The result obtained by the division shall be multiplied by the formula number for each Unit, and that amount shall be the amount which the Unit Owner is entitled to receive from the proceeds of the sale, insurance claims, or condemnation awards.

22.03 The termination of the Condominium does not change the corporate status of the Association. The Association shall continue to exist to conclude its affairs, prosecute and defend actions by or against it, collect and discharge obligations, dispose of and convey its property, and collect and divide its assets.

22.04 The termination of the Condominium shall not bar the creation of another condominium affecting any portion of the same property.

23. Rights of Mortgagees.

23.01 Notwithstanding anything to the contrary set forth in the Declaration, Articles of Incorporation, or Bylaws, a Mortgagee shall not be required to consent to or join in any amendment to the Declaration, Articles of Incorporation, or Bylaws unless the amendment:

(a) Changes the configuration or size of the Unit encumbered by the mortgage in any material fashion, materially alters or modifies the appurtenances to the Unit, or changes the proportion or percentage by which the Owner of the Unit shares the Common Expenses or owns the Common Surplus;

(b) Permits time share estates to be created in the Unit encumbered by the Mortgage; or

(c) Adversely affects the priority of the Mortgagee's lien or the Mortgagee's rights to foreclose its lien, or that otherwise materially affects the rights and interests of the Mortgagee.

23.02 In securing the consent or joinder of a Mortgagee, the Association shall be entitled to rely upon the public records to identify the holder of the mortgage. The Association may use the address provided in the original recorded mortgage document, unless there is a different address for the holder of the mortgage in a recorded assignment or modification of the mortgage which recorded assignment or modification must reference the official record book and page on which the original mortgage was recorded. Once the Association has identified each recorded mortgage of record, the Association shall, in writing, request each Unit Owner whose Unit is encumbered by a mortgage of record to provide any information the Owner has in his or her possession regarding the name and address of the person to whom mortgage payments are currently being made. Notice shall be sent to such person if the address provided in the original recorded mortgage document is different from the name and address of the Mortgagee or assignee of the mortgage as shown by the public records. The Association shall be deemed to have complied with this requirement by making the written request to the Unit Owners, as required under this Paragraph. Any notices required to be sent to the Mortgagees under this Paragraph shall be sent to all available addresses provided to the Association, by a method that establishes proof of delivery. Any Mortgagee who fails to respond within 60 days after the date of mailing shall be deemed to have consented to the Amendment.

24. Use Restrictions.

24.01 Use of the Condominium Property shall be subject to the following restrictions:

(a) Commercial Activities. No Unit shall be used or occupied for any purpose other than as a single-family residential dwelling. The leasing of a Unit for profit in accordance with the limitations set forth herein shall not be considered a business for purposes of this Subparagraph.

(b) Garage Door. All garage doors shall be closed within 24" or less

Palma Sola Harbour Documents

of the garage floor/threshold when not in use.

(c) Hanging Garments. No garments, rugs, or similar items will be hung from the windows of any Unit or from any facade of any building located upon the Condominium Property.

(d) Window Air-Conditioners. No window fans or window air-conditioners shall be permitted within the Condominium except for the lanai.

(e) Increased Insurance Rates. A Unit Owner shall not permit anything to be done or kept in the Owner's Unit or on the Common Elements which will increase the insurance rates paid by the Association.

(f) Obstruction. No Unit Owner shall do anything which will obstruct another Unit Owner's full use and enjoyment of the Common Elements.

(g) Nuisances. No loud or objectionable noises or obnoxious odors, as determined by the Board, shall emanate from any Unit. Audio devices, televisions, vacuum cleaners, loud and/or penetrating noise from vehicles or vessels, stereo systems, and other instruments that may be heard beyond the Unit or which disturb other Unit Owners or Occupants shall not be used or, in the case of audio and television sounds, they shall be turned down to minimum volume between the hours of 10:00 PM and 8:00 AM such that it is not a disturbance to any neighbors.

(h) Carports. Carports shall be kept in a neat and presentable manner by the Owner of the Adjacent Unit.

(i) Lawful Conduct. No unlawful or immoral use shall be made of the Condominium Property, nor shall anything be done thereon which may be or may become an annoyance or a nuisance to the Owners, residents, or Occupants thereof.

26. Pets.

It is expressly understood and agreed by all Owners, tenants, and Occupants that the keeping of pets within the Condominium is a privilege, and not a right. No animals of any kind may be kept or maintained within the Condominium Property at any time, except as expressly permitted by this Section 26. The Owners and Occupants of a Unit may keep two common household pets on the Condominium Property. Household pets shall mean dogs and domestic cats. In addition to household pets, Owners and Occupants may keep tropical fish and/or birds which are permanently caged, provided they are kept in reasonable numbers and do not become a source of unreasonable annoyance to other Owners and Occupants. 27. Amendment of Declaration.

27.01 The power to modify or amend this Declaration is reserved to the Unit Owners. An amendment may be proposed either by majority vote of the Board or upon the written petition of the Voting Representatives for 20% of the Units in the Condominium.

27.02 A proposed Amendment shall be submitted to a vote of the Unit Owners not later than the next annual meeting of the Association for which proper notice can be given. However, nothing in this Paragraph 27.02 shall preclude the calling of a special meeting to vote on the proposed Amendment. Unless otherwise provided by law, a proposed Amendment shall be adopted if approved by a majority of the Voting Representatives voting in person or by proxy at a duly called meeting of the Association at which a quorum is present. An Amendment shall be effective when properly recorded among the Public Records of Manatee County, Florida.

27.03 Notwithstanding the provisions of Paragraph 27.02 above, any Amendment which changes the configuration or size of any Unit in a material fashion, materially alters or modifies the appurtenances to any Unit, or changes the proportion or percentage by which a Unit Owner shares the Common Expenses and owns the Common Surplus must be approved by all of the Voting Representatives.

27.04 The amendment process described in this Section 27 shall not apply to the Rules which may be adopted, amended, and rescinded by the Board at any time.

28. Enforcement.

28.01 Each Unit Owner and Occupant shall be governed by and shall comply with the terms of this Declaration, the Articles of Incorporation, the Bylaws, and the Rules adopted by the Board pursuant thereto (the "Condominium Documents"), as said documents may be amended or restated from time to time. Failure of a Unit Owner or Occupant to comply therewith shall entitle the Association and the other Unit Owners to enforce compliance and recover damages caused by noncompliance. In addition to the enforcement remedies provided by law, the Association and the other Unit Owners shall have the right to injunctive relief to prevent continuing or future violations. In any legal proceeding to enforce the provisions of the Condominium Documents, the prevailing party shall be entitled to recover from the non-prevailing party all taxable court costs and attorneys' fees incurred in such action, including costs and fees incurred on appeal and costs and fees incurred to recover fees. The failure of the Association or any Unit Owner to enforce any covenant, restriction, or other provision of the Condominium Documents shall in no event be deemed a waiver of the right to do so at any time in the future.

28.02 The Association may also levy reasonable fines for the failure of the Unit Owner or the Occupant of a Unit to comply with any provision of the Condominium Documents. The Association shall give written notice to the Unit Owner and Occupant (if applicable) setting forth the provision of the Condominium Documents the Owner or Occupant is alleged to have violated, and a short statement as to the matters asserted by the Association. The notice shall also set forth the date, time, and place of a hearing on the alleged violation, which date shall be not less than 14 days following delivery of the notice to the Owner and Occupant. The hearing shall be conducted before a committee of Unit Owners appointed by the Board who are neither Board members nor persons

Palma Sola Harbour Documents

residing in a Board member's household (the "Grievance Committee"). At the hearing, an Association representative shall present to the Grievance Committee evidence supporting the violation, and why a fine should be levied for non-compliance with the Condominium Documents. The Unit Owner and Occupant shall have the opportunity to respond to the alleged violation, to present evidence, and to provide written and oral argument on all issues involved. Any party to the proceeding shall have the right to be represented by counsel at such party's expense, and to cross-examine and present witnesses and other testimony or evidence. However, formal rules of evidence shall not apply. The Grievance Committee will issue a written decision within 14 days after the date of the hearing. The decision will set forth appropriate findings of fact, state whether a violation of the Condominium Documents has occurred, determine whether a fine should be levied against the Unit Owner and Occupant, and the amount of the fine. However, the fine shall not exceed the maximum amount permitted by the Condominium Act from time to time, and shall not become a lien against the Unit. The fine shall be the joint and several obligation of the Unit Owner and the Occupant (if applicable). The decision of the Grievance Committee shall be promptly delivered to the Board, the Unit Owner, the Occupant, and their respective legal counsel (if any). The fine must be paid in full within ten (10) days following the date the decision is mailed to the Unit Owner and Occupant. If the fine is not promptly paid, the Association shall have the right to exercise all available remedies to collect the fine from the Unit Owner and Occupant. Fines shall be applied to Association expenses in any manner determined by the Board.

28.03 The Association's right to levy fines against Unit Owners and Occupants shall not be construed as the Association's exclusive remedy for violation of the Condominium Documents. The Association reserves the right to pursue all other rights and remedies available to the Association for violation of the Condominium Documents, which rights and remedies may be pursued concurrently and independently of the fining procedure described in Paragraph 28.02 above.

29. Miscellaneous.

29.01 If any provision of this Declaration, the Articles of Incorporation, the Bylaws, or any article, section, subsection, paragraph, sentence, clause, phrase, or word thereof, or the application thereof in any circumstance, is held invalid, the validity of the remainder of such instruments or of the application of any such provision, article, section, subsection, paragraph, sentence, clause, phrase, or word in other circumstances shall not be affected thereby.

29.06 The provisions of this Declaration are to be amplified by the Articles of Incorporation and the Bylaws; provided, however, that no such amplification shall substantially alter or amend any of the rights or obligations of the Unit Owners set forth herein. ARTICLE VI. MEMBERS' MEETING

1. Meetings to Elect Directors. Regular elections must occur on the date of the annual meeting. Not less than sixty (60) days before each scheduled election meeting, the Association shall mail, electronically transmit, or deliver to each Voting Representative a first notice setting forth the date of the election meeting. Not less than forty (40) days prior to the date of the election meeting, any Owner or other eligible person desiring to be a candidate for the Board must deliver to the Association written notice of his or her desire to run for the Board in order to be eligible to be placed on the election ballot. Representative for each Unit shall not cast more than one vote for any candidate, it being the intent that casting ballots in the election of directors shall be non-cumulative. The candidates receiving the highest number of votes cast shall be declared elected. A newly elected director shall take office immediately upon the adjournment of the election meeting. Notwithstanding the foregoing, an election is not required if the number of vacancies equals or exceeds the number of candidates. In that event, the Association shall announce the new directors at the election meeting, and all candidates shall take office as directors immediately following the adjournment of the election meeting. Any remaining vacancies shall be filled by the affirmative vote of a majority of directors making up the newly constituted Board even if the directors constitute less than a quorum or there is only one director. In the event of vacancies on the Board as a result of recall, the election of directors to fill the vacancies shall be governed by the procedures set forth in the rules promulgated by the Division. The Board shall not create or appoint any committee for the purpose of nominating a candidate or candidates for election to the Board. The Board may create or appoint a search committee which shall not have the authority to nominate any candidate, but may encourage qualified persons to become candidates for the Board. As used in this paragraph, the term "candidate" means an eligible person who has timely submitted to the Association written notice of his or her desire to run for the Board.

2. Annual Meeting. There shall be an annual meeting of the Members. The annual meeting shall be held in the month of January on a date and at a time established by the Board.

3. Special Meetings. Special meetings of the Members for any purpose may be called at any time by the President or a majority of the Board. Additionally, for any purpose other than to revoke on an issue decided at a previous annual or special meeting, 20% of the Voting Representatives may call for a special meeting by delivering a written request to any officer of the Association which shall, as limited above, state the purpose(s) of the meeting, and the business conducted at any such special meeting shall be limited to the purpose(s) stated in the request. A meeting requested by the Voting Representatives shall be held not less than sixty (60) nor more than one hundred and twenty (120) days after the request is delivered to an officer of the Association. Notwithstanding the foregoing, a special meeting to recall a director shall be called upon the written request of ten percent (10%) of the Voting Representatives as more fully set in Article VII below.

4. Quorum. Twenty percent (20%) of the Voting Representatives in attendance at a meeting of the Members, either in person or by proxy, shall constitute a quorum for the purpose of conducting business unless otherwise provided in the Declaration, Articles of Incorporation, or Condominium Act.

6. Agenda. The agenda for membership meetings shall be set by the Board. However, twenty percent (20%) of the Voting Representatives may petition the Board to add one or more items to the agenda. Upon receipt of such petition, the requested item(s) will be added to the agenda for the next membership meeting. No business will be conducted at a membership meeting unless it was included on the agenda.

7. Notice of Meetings. Written notice stating the place, day, and time of each meeting of the membership, which notice must include an agenda, shall be given to each Voting Representative not less than fourteen (14) days before the meeting as provided

An officer of the Association, or the manager or other person providing notice of the membership meeting, shall provide an Affidavit or United States Postal Service Certificate of Mailing, to be included in the official records of the Association, confirming that the notice was mailed, electronically transmitted, or hand delivered in accordance with this paragraph.

9. Waiver of Notice. A waiver of notice by any Voting Representative, whether before or after the meeting, shall be equivalent to giving of notice to the Voting Representative. Attendance of a Voting Representative at a meeting shall constitute a waiver of notice of such meeting and a waiver of any and all objections to the place of the meeting, the time of the meeting, or the manner in which the meeting has been called or convened, except when the Voting Representative attends a meeting for the express purpose, as stated at the beginning of the meeting, of objecting to the transaction of any business because the meeting is not lawfully called or convened.

The President shall be a director. A person may hold more than one office. The failure to elect a president, vice-president, secretary, or treasurer shall not affect the existence of the Association.

In addition to annual Operating expenses, the budget shall include reserve accounts for capital expenditures and deferred maintenance for the Condominium if required by the Condominium Act or otherwise deemed appropriate by the Board. The amount to be reserved shall be computed by means of a formula which is based upon the estimated

Palma Sola Harbour Documents

remaining useful life and estimated replacement cost or deferred maintenance expense of each reserve item. The Association may adjust replacement reserve amounts annually to take into account any changes in the estimated replacement cost or extension of the useful life of a reserved item. A copy of the proposed annual budget shall be hand delivered, electronically transmitted, or mailed, by regular mail, to each Voting Representative not less than fourteen (14) days prior to the Board meeting at which the budget shall be considered (the "Budget Meeting"), together with a notice of the Budget Meeting. An officer or manager of the Association, or other person providing notice of the Budget Meeting, shall execute an affidavit evidencing compliance with such notice requirement, and such affidavit shall be filed among the official records of the Association. The Budget Meeting shall be open to all Unit Owners and Voting Representatives. Unless otherwise provided by law, reserves may not be waived or reduced prior to delivering to the Voting Representatives a proposed annual budget containing reserves required by law, if any.

2. Excessive Assessments. In the event the annual budget adopted by the Board requires Assessments which exceed one hundred fifteen percent (115%) of such Assessments for the prior fiscal year, the Board shall call a special meeting of the membership to consider a substitute budget if the Board receives, within twenty-one (21) days after adoption of the annual budget, a written request for a special meeting from the Voting Representatives for at least ten percent (10%) of the Units. The special meeting shall be conducted within sixty (60) days after adoption of the annual budget. At least fourteen (14) days prior to such special meeting, the Board shall mail, electronically transmit, or hand deliver a notice of the meeting to each Voting Representative. An officer or manager of the Association, or other person providing notice of such meeting, shall execute an affidavit evidencing compliance with this notice requirement, and such affidavit shall be filed among the official records of the Association. The Board may propose a revised budget to the membership at such special meeting, or in writing prior to said meeting. At the special meeting or any adjournment thereof, the membership may consider and adopt a substitute budget. The adoption of a substitute budget by the membership shall require the vote of a majority of the Voting Representatives. In the event a quorum is not attained or the membership is unable to adopt a substitute budget at the special meeting or any adjournment thereof, the annual budget previously adopted by the Board shall take effect as scheduled.

3. Determination of Increase. In determining whether Assessments exceed one hundred fifteen percent (115%) of Assessments for the prior fiscal year, there shall be excluded from the computation any authorized provision for reasonable reserves for repair or replacement of the Condominium Property, anticipated expenses of the Association which the Board does not expect to incur on a regular or annual basis, or Assessments for betterments to the Condominium Property.

4. Waiver or Reduction of Reserve Funding. A majority of the Voting Representatives may vote to waive or reduce funding of reserves. The vote shall be taken at a duly called meeting of the Members conducted after the proposed annual budget, which includes full funding of required reserves, has been delivered to each Voting Representative as required by Paragraph 1 above. Proxy questions relating to waiving or reducing the funding of reserves or using existing reserve funds for purposes other than the purposes for which the reserves were intended shall contain the following statement

Palma Sola Harbour Documents

in capitalized, bold letters in a font size larger than any other used on the face of the proxy ballot: **WAIVING OF RESERVES, IN WHOLE OR IN PART, OR ALLOWING ALTERNATIVE USES OF EXISTING RESERVES MAY RESULT IN UNIT OWNER LIABILITY FOR PAYMENT OF UNANTICIPATED SPECIAL ASSESSMENTS REGARDING THOSE ITEMS.** If a meeting of the Members has been called to determine whether to waive or reduce the funding of reserves, and a quorum is not attained or a majority of the Voting Representatives do not approve the waiver or reduction, the reserves included in the annual budget shall go into effect. Any vote to waive or reduce the funding of reserves shall be effective for only one (1) annual budget.

5. Use of Reserve Funds. Reserve funds and any interest accruing thereon shall remain in the reserve account or accounts, and shall be used only for authorized reserve expenditures unless their use for other purposes is approved in advance by a majority of the Voting Representatives at a duly called meeting of the Members.

6. Amended Budget. Subject to the limitations set forth in Paragraphs 3 and 4 above, in the event the annual Assessments prove to be insufficient to pay the Operating expenses of the Association, the budget may be amended at any time by the Board. An amended budget shall be adopted in the same manner as an annual budget.

ARTICLE XI. ASSESSMENTS

1. Determination and Payment. Annual Assessments levied against Units shall be paid in monthly installments. After adoption of an annual budget, a determination of the annual Assessment levied against each Unit shall be made by apportioning the total sum of the budget among the Units according to the percentages for sharing Common Expenses set forth in the Declaration. The Board shall promptly deliver or mail to each Voting Representative a statement setting forth the amount of each Assessment installment and the date on which each installment is due. Each installment shall be due and payable regardless of whether the statement is sent or actually received by the Voting Representative.

2. Failure to Adopt a Budget. If an annual budget has not been adopted for the accounting year at the start of said year, an Assessment in the amount of the last prior annual Assessment shall continue in force until changed by an amended Assessment, at which time any overage or shortage calculated shall be added or subtracted from each Unit Owner's next due installment.

3. Excess Income. If for any reason the Assessments levied against the Units produce income in excess of the Association's needs, such excess income shall be retained by the Association to be applied to any reserve account or to the next ensuing year's Operating expenses, at the discretion of the Board. Such excess shall not be refunded to the Unit Owners.

In the absence of such determination by the Board, such instruments shall be signed by the President, and countersigned by the Treasurer.

(c) For investment purposes only, reserve funds may be commingled with Operating funds of the Association. Commingled Operating and reserve funds shall be accounted for separately, and the available balance of a commingled account shall not, at any time, be less than the amount identified as reserve funds.

3. Financial Reporting. Within ninety (90) days after the end of the fiscal year, the Association shall prepare and complete, or contract for the preparation and completion, of a financial report for the preceding fiscal year. Within twenty-one (21) days after the final financial report is completed by the Association or received from the third party, but not later than 120 days after the end of the fiscal year, the Association shall mail to each Voting Representative at the address last furnished to the Association by the Voting Representatives or hand deliver to each Voting Representative, a copy of the financial report or a notice that a copy of the financial report will be mailed or hand delivered to the Voting Representatives, without charge, upon receipt of a written request from the Voting Representatives. 1. Arbitration. Certain disputes between Unit Owners or Unit Owners and the Association are subject to mandatory non-binding arbitration as more fully set forth in the Condominium Act.

2. Articles and Other Headings. The Articles and other headings contained in these Bylaws are for reference only and shall not affect the meaning or interpretation of these Bylaws.

3. Gender and Number. Whenever the context requires, the gender of all words used herein shall include the masculine, feminine, and neuter, and the number of all words shall include the singular and plural thereof.

4. Revocability of Authorizations. No authorization, assignment, referral, or delegation of authority by the Board to any officer, agent, or other official of the Association shall preclude the Board from exercising the authority required to meet its responsibility to Operate the Condominium. The Board shall retain the right to rescind any such authorization, assignment, referral, or delegation in its sole discretion.

5. Validity. Should any of the covenants herein imposed be void or become unenforceable at law or in equity, the remaining provisions of this instrument shall, nevertheless, be and remain in full force and effect. Defects or omissions in the Bylaws shall not affect the validity of the Condominium or the title to Units.

6. Robert's Rules of Order. All membership meetings and Board meetings shall be conducted in accordance with the latest edition of Robert's Rules of Order.

7. Indemnification

a) Indemnity. The Association shall indemnify any officer, director, or committee member who was or is a party or is threatened to be made a party to any threatened, pending, or contemplated action, suit or proceeding, whether civil, criminal, administrative, or investigative, by reason of the fact that he or she is or was a director, officer, or committee member of the Association, against expenses, including reasonable attorney's fees and appellate attorney's fees; judgments, including punitive damages; fines; and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit, or proceeding, unless (i) a court of competent jurisdiction finally determines, after all appeals have been exhausted or not pursued by the proposed indemnitee, that he or she did not act in good faith or in a manner he or she reasonably believed to be in or not opposed to the best interests of the Association, and, with respect to any criminal action or proceeding, that he or she had reasonable cause to believe his or her conduct was unlawful; and (ii) such court also determines specifically that indemnification should be denied. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent shall not, in and of

Palma Sola Harbour Documents

It is the intent of the membership of the Association, by the adoption of this provision, to provide the most comprehensive indemnification possible to their officers, directors, and committee members as permitted by Florida law.

b) Defense. To the extent that a director, officer, or committee member of the Association has been successful on the merits or otherwise in defense of any action, suit, or proceeding referred to herein, or in defense of any claim, issue, or matter therein, he or she shall be indemnified against expenses, including attorney's fees and appellate attorney's fees, actually and reasonably incurred by him or her in connection therewith.

c) Advances. Expenses incurred in defending a civil or criminal action, suit, or proceeding may be paid by the Association in advance of the final disposition of such action, suit, or proceeding upon receipt of an undertaking by or on behalf of the affected director, officer, or committee member subject to the understanding and agreement of such director, officer, or committee member to repay such amount if it shall ultimately be determined that he or she is not entitled to be indemnified by the Association. Upon request, such advances shall be made upon the approval of a majority of the Board of Directors.

d) Miscellaneous. The indemnification provided herein shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any agreement, vote of members, or otherwise, and shall continue as to a person who has ceased to be a director, officer, or committee member and shall inure to the benefit of the heirs and personal representatives of such person.
